

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

MAY 5.

The President, SAMUEL G. DIXON, M.D., in the Chair.

Thirty-nine persons present.

A revision of the By-Laws was adopted providing that hereafter (Chap. XII, Article 1) "the stated meetings of the Academy shall be held on the first and third Tuesdays of each month from October to May inclusive, at such hour as may be fixed by the Council; but no change shall be made in the hour except after one month's notice."

Also that (Chap. VII, Art. 4) "the Committee [on Publication] shall examine all papers intended for publication and shall print those approved by it as far as practicable in the order in which they were presented. It shall also prepare and print in the PROCEEDINGS abstracts from the minutes of the meetings of the Academy and summaries of verbal communications made to the Academy or any of its Sections."

The following were ordered by the Publication Committee to be printed:
